MESSAGE OF SOLIDARITY FROM THE YOUTH LEAGUE OF THE SOCIALIST MOVEMENT OF GHANA (SMG) TO THE YOUTH WING OF THE UNITED SOCIALIST PARTY OF VENEZUELA (PSUV) ON THE OCCASION OF YOUR 16TH ANNIVERSARY.

Revolutionary greetings!

On behalf of the Youth League of the Socialist Movement of Ghana (SMG) , we extend our warmest greetings and solidarity to you on the occasion of your 16th anniversary celebration!

Sixteen years of unwavering commitment to the Bolivarian Revolution and the Socialist cause, sixteen years of dedicated service to the Venezuelan people, and sixteen years of unrelenting struggle for a more just and equitable society. Your dedication is truly inspiring!

As young Socialists, we draw strength and motivation from your example. We recognize that our struggles, though unique, are interconnected. We stand with you in solidarity against imperialism, neoliberalism, and all forms of oppression.

We are aware of the resent fascist and neofascist attempts by the empire to discredit the re-election of President Nicholas Maduro as the legitimate president of Venezuela. We condemn outrightly, any attempt to interfere in the electoral process of a sovereign Venezuela and assure you of our unalloyed support to protect the gains of the revolution and march side-by-side with you to give a coup de grace to Capitalism in all it's forms for a more humane, just, and free world under the banner of Scientific Socialism.

May this milestone mark the beginning of even greater achievements and victories for the PSUV Youth Wing. We raise our fists in solidarity and look forward to continuing our shared struggle for a socialist future.

Long live the Bolivarian Revolution!
Long live the PSUV Youth Wing!
Long live the Socialist Movement of Ghana!
Hasta la victoria siempre!!

Red Salute!
