GHANA CONDEMNS MILITARY TAKEOVER IN GUINEA-BISSAU

ACCRA, 26TH NOVEMBER, 2025 – The Government of the Republic of Ghana strongly and unequivocally condemns the coup d'état carried out by elements of the military in the Republic of Guinea-Bissau. This unconstitutional usurpation of authority represents a direct assault on democratic governance and disrupts the electoral process that followed the peaceful conduct of presidential and legislative elections on 23rd November, 2025.

The Government of Ghana views this development with profound concern and expresses deep dissatisfaction at the brazen attempt to overturn the will of the people of Guinea-Bissau. The action has dangerously interrupted the democratic trajectory of the nation and obstructed the anticipated announcement of the election results scheduled for 27th November, 2025.

Ghana calls for the immediate restoration of constitutional order in Guinea-Bissau and urges all actors to respect the democratic process. Any grievances arising from the elections must be addressed solely through peaceful, transparent, and legally recognised mechanisms.

The Government of Ghana further demands that the security and fundamental rights of all citizens and foreign nationals be safeguarded. Particular emphasis is placed on the protection of officials of the ECOWAS Election Observation Mission currently deployed in Guinea-Bissau, whose safety and secure passage must be guaranteed without delay.

Ghana appeals to the people of Guinea-Bissau to remain calm, exercise maximum restraint, and avoid actions that may escalate tensions. The Government of Ghana reaffirms its full support for ECOWAS and the African Union in their coordinated response to the situation, in accordance with regional and continental protocols on democracy, good governance, and constitutional rule.
